<www.templeboysgymnastics.com>

The purpose of this program is to provide Philadelphia-area youth with a quality training and competitive experience in boys' gymnastics, within the framework of the USA Gymnastics Boys' Jr. Olympic Structure. The facility we use is in Pearson Hall, rooms 143-144, on Temple's main campus, Broad Street & Montgomery Avenue. Garage parking is available in the nearby Liacouras Center garage (enter from 15th Street) for \$3 (up to 2 hours), \$4 (2-3 hours) or \$12 (over 3 hours or on event days). On on-the-street parking is also available but limited, as we operate often when university classes are in session. Drop-off is done at the NW corner of Broad Street and Montgomery Avenue, near the entrance to Pearson hall.

Season calendar and activity costs:

The competition and activity calendar will be determined by the coaching staff prior to the start of each season. Several clinics occur in the pre-season, and we plan to attend those that are reasonable. We plan to enter a number of meets each season, and will send those who qualify to the various season-ending meets. Expenses for these meets and activities (travel, housing, food, entry fees, competitive uniforms) will be covered by individual families and the Parents' Association (see below). **Note: These costs can total \$1000+ per season for each gymnast.**

TUBGT Parents' Association:

All families will be required to help with the **TUBGTPA**. The president will contact any new family to give necessary information.
